

## The Departure

The departure is about a young man named Kurt who has dropped out of school. He is a stoner. His old English teacher is trying to mentor him, he is trying to help Kurt to get his life on track. The story begins with Andy waiting for Kurt to arrive, they bicker for a while, Andy telling Kurt how much potential he had, Kurt ignoring and rebelling everything he says. After some bickering it is revealed that Andy is moving to another town because he got a job offer. This upsets Kurt and they bicker for a while longer until Kurt tells him he doesn't need to and shouldn't look out for him again.
